- 1. Daily screening of full-time personnel:** All full-time employees will be contacted each workday (including those at home) to check on the individual's health. The screening questionnaire will only be filled out for personnel that are ill or have come into contact with a person who has tested positive for COVID-19.
- 2. Screening of DSGs:** Any DSG coming to Key Field, will be pre-screened before coming on base. Pre-screening can be conducted by phone or electronic methods before assembly. Screenings with all "NOs" do not have to be completed in written format. Any screenings with a "YES" will be reviewed and signed by their commander and forwarded to the 186 MDG org box at usaf.ms.186-arw.mbx.medical-records@mail.mil. The commander in coordination with MDG will determine if the DSG can attend drill. DSGs attending drill will be screened on a daily basis in the same manner as the full-time force.

Members scheduled for a March FA will now be due in September; April FAs will be due in October; May FAs will be due in November. Leadership will use current FAs to assess promotion request. Detailed guidance has been sent to CCs, Chiefs, First Sgts, and UFPMs.
- 4. Malicious Websites:** Each member is asked to review the Malware Notice on the Wing Website and Wing APP that discusses malicious websites that look like popular COVID-19 websites. Please ensure website validity when searching for COVID-19 information.
